Elaine told Carter.

Cliff apparently found out only 10 minutes before.

Cliff –

Are you aware of a CEQ-scheduled call this week? Can you please let us know when and call-in info?

We understand a call occurred today btw OW and Dept of Ag. and you were on the call. Can you update us about any follow up?

As a reminder, Kathy is out this week, so please include Angles, Carter, and me on emails concerning Rosemont.

Angeles and Carter are both working Tues, Wed. and I am in Tues.

Thanks,
Connell
